QGSSEA DEL MELLEFONT PERCENTAGE TROPHY

Del Mellefont made a valuable contribution to the QGSSEA Association spanning 38 years.

A student at St Hilda's School from 1951 to 1954 she participated as a competitor, holding the position of Sports Captain in her final year.

She attended Kelvin Grove Teacher's College in Brisbane and subsequently taught in the State School System before travelling overseas.

In 1962 Miss Mellefont returned to St Hilda's as Sports Mistress. For the next 34 years she was involved in the many facets of QGSSEA. She organised, coached and judged a wide variety of sports.

Mid way through her career she moved from the field of Physical Education to Mathematics though she continued to coach sports teams. She became a well respected teacher of mathematics, and she continued in this role until she retired in 1996.

Miss Mellefont demanded excellence and sportsmanship in all her involvements and she strongly upheld the value of the QGSSEA as a sporting avenue for young girls interested in competitive school sport.

While being held in the highest regard by all who knew her she is most widely remembered for her love of Ballgames. Her command of this sport is legendary – in fact she devised the game of Medley. It was with great pride she judged the last ballgames competition in 1996.

Miss Mellefont passed away in 1999. Her funeral was attended by the entire St Hilda's School Community. In 1997 the sports oval was dedicated and named in her honour.
