Celebrating 118 years of girls in sport

Aboriginal and Torres Strait Islander peoples are advised that this content contains the name and artwork of the late Leah Cummins.

We proudly acknowledge and celebrate Leah Cummins' enduring contribution to QGSSSA through this artwork, which reflects connection, community, belonging and the journey of young women in sport. Through her storytelling, Leah captured the spirit of our schools, the importance of First Nations lands and peoples, and the hopes, dreams and futures of the young women represented within QGSSSA. We honour Leah's legacy through this artwork

We respectfully acknowledge the Traditional Custodians of the Land on which we gather, the Yugarabul, Yuggera, Jagera and the Turrbal.

We honour their enduring connection to Country – to the land, waterways, skies and stories that have been cared for over countless generations. We recognise the strength, wisdom and continuing contributions of Aboriginal and Torres Strait Islander peoples to communities, culture and sport across Australia.

The QGSSSA is committed to fostering environments where respect, inclusion and understanding are valued and where young people are encouraged to learn from one another and walk together in the spirit of reconciliation. Through sport, we celebrate the power of connection, shared experiences and unity across our school communities.

May today's championships be conducted with courage, integrity and respect for one another and for the rich cultural heritage of this land.

We pay our deepest respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples with us today.

In doing so, we pay our respects to their Elders past and present.

QGSSEA DEL MELLEFONT PERCENTAGE TROPHY

Del Mellefont made a valuable contribution to the QGSSEA Association spanning 38 years.

A student at St Hilda's School from 1951 to 1954 she participated as a competitor, holding the position of Sports Captain in her final year.

She attended Kelvin Grove Teacher's College in Brisbane and subsequently taught in the State School System before travelling overseas.

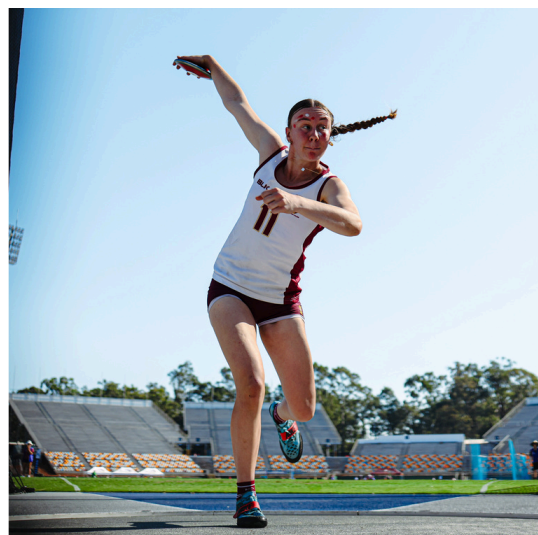

In 1962 Miss Mellefont returned to St Hilda's as Sports Mistress. For the next 34 years she was involved in the many facets of QGSSEA. She organised, coached and judged a wide variety of sports.

Mid way through her career she moved from the field of Physical Education to Mathematics though she continued to coach sports teams. She became a well respected teacher of mathematics, and she continued in this role until she retired in 1996.

Miss Mellefont demanded excellence and sportsmanship in all her involvements and she strongly upheld the value of the QGSSEA as a sporting avenue for young girls interested in competitive school sport.

While being held in the highest regard by all who knew her she is most widely remembered for her love of Ballgames. Her command of this sport is legendary – in fact she devised the game of Medley. It was with great pride she judged the last ballgames competition in 1996.

Miss Mellefont passed away in 1999. Her funeral was attended by the entire St Hilda's School Community. In 1997 the sports oval was dedicated and named in her honour.
